Scope

Category: Textile auxiliaries for dyeing and printing
Certificate No. 16.0.86485
Issued by HOHENSTEIN TEXTILE TESTING INSTITUTE

Product(s): See attached enclosure

Supporting documents

- RSL Screening Report
- Analytical test report number: 16.0.86485
- Declaration of conformity in accordance with EN ISO 17051
- Detailed information about the components and safety data sheets of the chemical products mentioned above.

The above captioned product(s) can be used in the production of human-ecological optimized textiles. The combined results of the reports mentioned above reveal that there is no harmful effect on the human and environmental health of the textiles treated with the above mentioned products. This evaluation used the test methods and requirements of the ECO PASSPORT by OEKO-TEX® that were in force at the time of the evaluation date.

This authorisation is valid until 31.07.2017
